

This month, children in class Ukg practiced Hindi for Gudi Padwa. It was a pleasure to see them dressed up in colourful clothes. They recited the Gujarati poem ગુદી પદ્મા રાજી રાજી which is about some of the festivals that are celebrated in India. It was nice to see their pride for this different culture and language come through with ease! For homework, children have been instructed to research another one of the many Indian festivals besides Ganesh Chaturthi which will be celebrated on September 18th. If you would like to send in any photos or videos of your class celebrating this festival, please email them to us at info@canadavista.com. We will get them posted on our website and Facebook page for everyone to see!
